ADDITIONAL STATEMENTS

TRIBUTE TO DR. DEBORAH ZYCH

• Mr. COONS. Mr. President, I wish to honor the remarkable service of the Polytech School District superintendent, Dr. Deborah Zych, and to recognize her commitment and service to the district. Throughout her career, Debbie has been an outstanding leader and innovative thinker, serving in many positions throughout Delaware's school districts. Her hard work, perseverance, and dedication will truly be missed by students, parents, and Delawareans up and down our State.

Since 2011, Debbie has played an active and integral role within the Delaware Department of Education, the New Castle County School District, and the Polytech School District, serving as a teacher, administrator, director of curriculum, assistant superintendent, and superintendent. Throughout her time in Polytech School District, Debbie has been a major leader, instrumental in guiding POLYTECH through facility enhancements, the expansion of educational opportunities for students, as well as a marked growth in student certifications. She also played a significant role in establishing a more visible link between Polytech's highly recognized high school and adult education programs. I join the many Delawareans who have had the opportunity to work alongside Debbie, and we are truly grateful for all she has done to improve the lives of Delaware's youth and adults.

In addition to ensuring that Kent County students got quality educations, I got to know Debbie through a lot of the work she and her staff did with manufacturers in Delaware and with their impressive apprenticeship programs they ran. She came down to a Democratic Steering and Outreach Committee meeting we hosted on workforce training, and last year, she hosted an event I helped organize on National Manufacturing Day. Debbie and her staff recognized that what manufacturers in Delaware needed was for the training to be done on the shop floor rather than in the school, and they have made dozens of companies

stronger as a result. Under Debbie's leadership, Polytech School District also expanded the number of English language learners in Delaware.

Beginning her career in Maryland, Debbie has always been an advocate for students, teachers, and the local community. She was committed to ensuring that each student—no matter their age—was equipped with the tools and skills necessary to go out into the world and take advantage of each opportunity that came their way.

We cannot simply attribute Debbie's long service in Delaware's school systems to her hard work and advocacy, but also to her genuine passion for seeing each student and program participant excel. Her forward-thinking ability and insight into the value of incorporating all district resources has undoubtedly laid the foundation for helping all students succeed.

Debbie's work has been nothing short of incredible, and I am sincerely grateful for all that she has done on behalf of the students and families across our State. It is my privilege to offer my sincerest congratulations on a job well done and wish her much success in her future endeavors at the University of Delaware where she will continue to serve Delaware in the UD Professional Development Center for Educators.●

REMEMBERING DAVID COLEMAN, JR.

• Mr. YOUNG. Mr. President, the great State of Indiana is proud of and ever thankful to those who defended our Nation's freedom, especially through military service. Today I wish to recognize the service and life of a member of the Greatest Generation, David Coleman, Jr., a veteran of World War II.

Mr. Coleman, born June 12, 1924, served in both the U.S. Army and the U.S. Air Force from 1943 to 1946 and then again from 1953 to 1960. During his military career, he earned the National Defense Service Medal, the Good Conduct Medal, the World War II Victory Medal, and the EAME Theater Ribbon. As a veteran myself, I am proud to know of fellow Hoosier veterans such as Mr. Coleman. Mr. Coleman called Indiana home for 60 years, 56 of them with his beloved wife, the late Dorothy Coleman, by his side. Like many Hoosiers, Mr. Coleman enjoyed America's favorite pastime, baseball, and was an avid fan of the Indianapolis Indians. Mr. Coleman also had a strong Hoosier work ethic, working at both Bryant Heating & Cooling and Goodyear Tire Company until retirement.

Mr. Coleman loved his family, his God, and his country, and for these things, he will be remembered. Mr. Coleman passed away on June 18, 2017, just a few days after his 93rd birthday. My thoughts and prayers go out to the family he left behind, including his children, grandchildren, and great-grandchildren. They should know that Mr. Coleman was an exemplary patriot, and I am proud to call him a fellow Hoosier.●
